

INSTITUTIONAL DEMAND FOR PPE MANUFACTURED IN AMERICA IS INCREASING.

With great pride, KCB's future growth will provide your institution with PPE manufactured in the USA.

PROTECTING LIVES - Relying on trusted vendors help eliminate increased risk of your employees' exposure to infectious diseases. Additionally our ongoing pursuits, successes, and rigorous PPE quality control is foundational to meeting your PPE needs *now*, and well into the future.

SUPPLY CHAIN ADVANTAGE- KCB leverages global supply chain best practices to ensure your medical-grade PPE will be delivered with pin-point accuracy, on time, and on budget.

TAKE ACTION NOW – We are fulfilling orders and meeting the exponential demand of major institutions nationwide. Your relationship with us ensures your current and future PPE
